

## **IS52035A / IS53038A WRITTEN ASSESSMENT 2018-2019**

Write a critical and reflective account based on issues covered in ‘Social Media, Crowdsourcing and Citizen Sensing’.

I’m interested in your critical analysis, not in a neutral write-up. Try to give me your argument or perspective, backed up by evidence.

IS53038A: computing students are expected to show a deeper level of appreciation for the technical factors and the impacts they have.

Note that you **must**:

- Include case studies and research from outside of the course material.
- Include references as footnotes or endnotes.

Guidelines for length: 2000 words.

**Deadline: 16:00 Monday 14th January (first day of Spring term)**

Full submission instructions will be on learn.gold
